OPTIONAL SEATS

The driver and front passenger seats for Custom Deluxe (standard) models are available with optional all-vinyl leather grain trim in a choice of blue or doeskin. This option includes a color-keyed plastic floor console between the seats, color-keyed front carpeting and extra-thick front floor insulation.

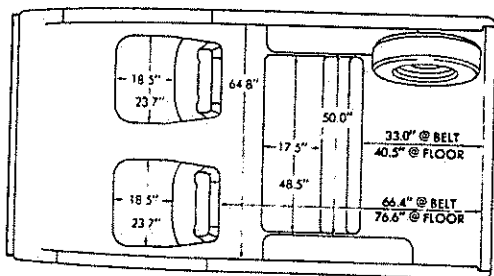

When the Silverado Model Option (RPO YE9) is ordered, a choice of either leather grain all-vinyl trim in blue, carmine, doeskin or slate, or houndstooth pattern cloth and vinyl trim in carmine, doeskin or slate is provided.

A three-passenger folding rear seat with armrests (RPO AM7) is available for all models. Seat belts are provided at all seating positions, with outboard units incorporating retractors. LH and RH ashtrays mounted to the sidewalls also are provided. The seat trim and floor covering match those of the front compartment, and rear wheelhouse insulation and carpeting are included when the leather grain all-vinyl front seats or houndstooth pattern cloth and vinyl front seats are ordered.

SPECIAL TWO-TONE

Special two-tone (ZY3) paint colors are available on all models and include the YG1 molding package consisting of black vinyl body side and rear moldings with bright trim, bright wheel opening moldings, and bright trim for front side marker lights and tail lights (except with the YG3 molding package or the Silverado Model Option where bright body side and rear moldings with black paint trim are substituted). The primary color is applied to the areas above the moldings (except roof areas). The secondary color is applied to the areas below the moldings. The cab roof, including the drip rails, is painted with white or black paint to match the standard removable hardtop (white only with available convertible top). (See Interior and Exterior Color Availability Charts to determine cab roof and top colors.) Also includes RPO V37 Front and Rear bumpers (except with Silverado Model Option where already included).

EXTERIOR DECOR PACKAGE

Exterior Decor Package (ZY5) paint colors and trim are available in a choice of four combinations (see chart below). This package includes the moldings and bumpers described under Special two-tone. In addition, it includes dual-tone body side and rear tape decal striping keyed to the exterior body color. This striping is applied to the front fenders, side doors and body sides and rear, a few inches above the styling crease line. The areas above the striping (except the cab roof and the removable or convertible top) and below the moldings are painted the primary color. The secondary color is used between the striping and the moldings. A bright, spring-loaded, stand-up type hood emblem is also included.
