CHEVROLET
S-10 PICKUP
TRUCK

S-10 PICKUP.

S-10 4x4 LONG-BED

NEW FOR '88

- 5-speed manual overdrive transmission (MM5) now standard on all S/T models, except chassis cab.
- New 2,000-lb. payload option (RPO X9H) is available on 2-wheel drive, long wheelbase pickups for greater commercial buyer appeal.
- The 20-gallon fuel tank replaces the 13.2-gallon fuel tank as standard for longer cruising range—except on the price-leader EL (RPO X81) and 2,000 pound payload package.
- New combination inside rear view mirror with self-contained map reading lamps aid driver and passengers during night driving.
- New factory-installed manual sunroof option is available interim 1988 on all models for better ventilation and open-air ride: opens to five pre-set positions.
- Heating, ventilation and air conditioning controls are illuminated in blue to help provide better location during night driving.
- Three new colors—Woodland Brown Metallic, Wheat, and Aspen Blue Metallic.

MAJOR STANDARD FEATURES

EXTERIOR

- Halogen headlamps (except EL model)
- Front bumper painted low-gloss black, incorporating parking lamps
- Black or silver tailgate lettering decal
- Left and right fixed-arm aerodynamic mirrors with low-gloss black finish
- Low-gloss black windshield moldings
- All-steel, welded double-wall pickup box
- Winch-type spare tire carrier mounted under frame at rear
- Argent wheels

INTERIOR

- Left and right padded armrests
- Coat hook on right side
- Ashtray in middle of instrument panel
- Color-keyed, embossed plastic door trim panels with map pockets
- Embossed black rubber floor mat
- Right-hand grab handle (4WD models)
- Color-keyed, partial headliner
- Inside hood release
- Instrument panel trimmed in low-gloss black, with textured charcoal and gray accents
- Insulation and sound deadening material throughout cab area
- Instrument cluster and cab interior lights
- Dome light—includes door-operated switches for dome and cab interior lights (except EL)
- AM radio (except EL; may be deleted for credit)
- Full-width vinyl-covered bench seats

- Color-keyed seat belts
- Black, soft-plastic steering wheel with two spokes
- Locking glove/storage box
- Padded left and right color-keyed sunshades
- Package tray on lower right half of instrument panel

FUNCTIONAL

- 2.5-Liter 4-cylinder engine with Electronic Fuel Injection (EFI)
- 5-speed manual overdrive transmission
- Full frame with front box section gives added strength/support for key components
- Independent front suspension with computer-selected coil springs on 4WD; torsion bars on 2WD; flex and twist on 4WD
- Variable-rate, multi-leaf rear springs that provide progressive support to match the load
- P195/75R14 All-Season steel-belted radial tires
- Power brakes (4WD)
- Serpentine accessory belt drive (replaces multiple belts, uses tensioner to eliminate adjustments, designed to last 100,000 miles)

MAXI-CAB ADDS:

- Power brakes
- Tinted glass on all windows
- Up to 18.4 cubic feet of space behind front seats for tools, equipment and more
- Sliding feature with memory on front passenger's seat for easy access to rear compartment
- Full headliner

SPECIAL PACKAGES

S-10 BACK COUNTRY

BACK COUNTRY PACKAGE (SEO 5V2)

The "Back Country" package is available on any S-10 4x4 with standard or Tahoe trim. It features:

- Front grille guard with driving lamps and headlight brush hoops
- Light bridge with off-road lamps
- Tubular rear bumper
- Instrument panel switches for driving and off-road lamps
- Black-out treatment on wheels, headlight and taillight bezels, grille, door handles and key lock

- Special striping around wheel openings and front of the hood

Back Country Required Options:

- Power Steering (N40)
- Off-Road Chassis Package (Z71)
- P235/75R15 white-lettered tires (QEB)
- 1,500-pound payload (C3A)
- 2.8-liter V6 engine (LL2)
- Painted black below-eyeline exterior mirrors (D44)

S-10 EL

S-10 EL (X81)

The EL is the price leader of the S-10 line. Available only on 4x2 Regular Cab with the 6-foot pickup box, EL includes:

- 2.5-liter EFI 4-cylinder engine
- 13.2-gallon fuel tank
- 5-speed manual transmission
- STD rear axle ratio (3.42)
- P195/75R14 Blackwall tires

Equipment differences from base S-10:

- AM radio deleted; dome lamp deleted
- Compact spare replaces full size
- Incandescent headlights replace halogen lamps

EL/SPECIAL OPTION PACKAGE (X97)

(Available only for EL model):

- Black rear step bumper
- Full-size spare tire
- 20-gallon fuel tank

2,000-POUND PAYLOAD PACKAGE (X9H)

Available on 2-wheel drive regular cab with 7-1/3 foot pickup box only, the 2,000-pound package includes:

- Heavy-duty front stabilizer bar
- Extra-capacity rear springs
- Power brakes

Required options:

- 2.8-Liter V6 engine (LL2)
- Power steering (N40)
- 5-speed manual transmission (MM5)
- Front bench seat
- P205/75R15 tires
- 13.2-gallon fuel tank replaces 20-gallon tank

Not available with:

- Special two-tone paint (ZY8)
- Tahoe (YC2) or Sport (YC3) trim levels

4.3-LITER V6 ENGINE (LB4)

Available with 2- or 4-wheel drive models, the 4.3-Liter V6 features Electronic Fuel Injection and 160 horsepower . . . among the highest in the class.

Available interim 1988.

Required option:

- 4-speed automatic overdrive transmission (MXO)

SPORT SUSPENSION (ZQ8)

Available for 2-wheel drive Regular cab S-10 Pickups only, the package includes:

- Heavy-duty front and rear shocks (F51)
- Power steering (N40)
- P215/65 R15 tires (QYH)
- 15x7-inch Rally wheels

Required option:

- 1,625-pound payload (C3C)

OFF-ROAD CHASSIS PACKAGE (Z71)

This package is optional on 4-wheel drive S-10 Pickups and includes:

- Special torsion bars
- Delco/Bilstein high-pressure gas shock absorbers
- Front stabilizer bar
- Jounce bumpers
- Transfer case shield (NY7)
- Fuel tank shield (NY1)
- Trim rings (PO6)
- Tow hooks (V76)

Required options:

- 1,500-pound payload (C3A)
- P235/75R15 off-road tires (QEB)

NEW S-10 OPTIONAL SUNROOF (AD3)

The manually operated tinted glass sun roof is available interim 1988 on all S-10 Pickup models (excluding EL). It offers a choice of five open positions and is non-removable.

S-10 PICKUP
TRUCK

PACKAGES AND INFORMATION FOR:

S-10 PICKUP.

S-10 4x4 LONG-BED

NEW FOR '88

- 5-speed manual overdrive transmission (MM5) now standard on all S/T models, except chassis cab.
- New 2,000-lb. payload option (RPO X9H) is available on 2-wheel drive, long wheelbase pickups for greater commercial buyer appeal.
- The 20-gallon fuel tank replaces the 13.2-gallon fuel tank as standard for longer cruising range—except on the price-leader EL (RPO X81) and 2,000 pound payload package.
- New combination inside rear view mirror with self-contained map reading lamps aid driver and passengers during night driving.
- New factory-installed manual sunroof option is available interim 1988 on all models for better ventilation and open-air ride: opens to five pre-set positions.
- Heating, ventilation and air conditioning controls are illuminated in blue to help provide better location during night driving.
- Three new colors—Woodland Brown Metallic, Wheat, and Aspen Blue Metallic.

MAJOR STANDARD FEATURES

EXTERIOR

- Halogen headlamps (except EL model)
- Front bumper painted low-gloss black, incorporating parking lamps
- Black or silver tailgate lettering decal
- Left and right fixed-arm aerodynamic mirrors with low-gloss black finish
- Low-gloss black windshield moldings
- All-steel, welded double-wall pickup box
- Winch-type spare tire carrier mounted under frame at rear
- Argent wheels

INTERIOR

- Left and right padded armrests
- Coat hook on right side
- Ashtray in middle of instrument panel
- Color-keyed, embossed plastic door trim panels with map pockets
- Embossed black rubber floor mat
- Right-hand grab handle (4WD models)
- Color-keyed, partial headliner
- Inside hood release
- Instrument panel trimmed in low-gloss black, with textured charcoal and gray accents
- Insulation and sound deadening material throughout cab area
- Instrument cluster and cab interior lights
- Dome light—includes door-operated switches for dome and cab interior lights (except EL)
- AM radio (except EL; may be deleted for credit)
- Full-width vinyl-covered bench seats

- Color-keyed seat belts
- Black, soft-plastic steering wheel with two spokes
- Locking glove-storage box
- Padded left and right color-keyed sunshades
- Package tray on lower right half of instrument panel

FUNCTIONAL

- 2.5-Liter 4-cylinder engine with Electronic Fuel Injection (EFI)
- 5-speed manual overdrive transmission
- Full frame with front box section gives added strength/support for key components
- Independent front suspension with computer-selected coil springs and torsion bars—adds flex and twist on 4WD
- Variable-rate, multi-leaf rear springs that provide progressive support to match the load
- P195/75R14 All-Season steel-belted radial tires
- Power brakes (4WD)
- Serpentine accessory belt drive (replaces multiple belts, uses tensioner to eliminate adjustments, designed to last 100,000 miles)

MAXI-CAB ADDS:

- Power brakes
- Tinted glass on all windows
- Up to 18.4 cubic feet of space behind front seats for tools, equipment and more
- Sliding feature with memory on front passenger's seat for easy access to rear compartment
- Full headliner

SPECIAL PACKAGES

S-10 BACK COUNTRY

BACK COUNTRY PACKAGE (SEO 5V2)

The "Back Country" package is available on any S-10 4x4 with standard or Tahoe trim. It features:

- Front grille guard with driving lamps and headlight brush hoops
- Light bridge with off-road lamps
- Tubular rear bumper
- Instrument panel switches for driving and off-road lamps
- Black-out treatment on wheels, headlight and taillight bezels, grille, door handles and key lock
- Special striping around wheel openings and front of the hood

Back Country Required Options:

- Power Steering (N40)
- Off-Road Chassis Package (Z71)
- P235/75R15 white-lettered tires (QEB)
- 1,500-pound payload (C3A)
- 2.8-liter V6 engine (LL2)
- Painted black below-eyeline exterior mirrors (D44)

S-10 EL

S-10 EL (X81)

The EL is the price leader of the S-10 line. Available only on 4x2 Regular Cab with the 6-foot pickup box, EL includes:

- 2.5-liter EFI 4-cylinder engine
- 13.2-gallon fuel tank
- 5-speed manual transmission
- STD rear axle ratio (3.42)
- P195/75R14 Blackwall tires

Equipment differences from base S-10:

- AM radio deleted; dome lamp deleted
- Compact spare replaces full size
- Incandescent headlights replace halogen lamps

EL/SPECIAL OPTION PACKAGE (X97)

(Available only for EL model):

- Black rear step bumper
- Full-size spare tire
- 20-gallon fuel tank

2,000-POUND PAYLOAD PACKAGE (X9H)

Available on 2-wheel drive regular cab with 7-1/3 foot pickup box only, the 2,000-pound package includes:

- Heavy-duty front stabilizer bar
- Extra-capacity rear springs
- Power brakes

Required options:

- 2.8-Liter V6 engine (LL2)
- Power steering (N40)
- 5-speed manual transmission (MM5)
- Front bench seat
- P205/75R15 tires
- 13.2-gallon fuel tank replaces 20-gallon tank

Not available with:

- Special two-tone paint (ZY8)
- Tahoe (YC2) or Sport (YC3) trim levels

4.3-LITER V6 ENGINE (LB4)

Available with 2- or 4-wheel drive models, the 4.3-Liter V6 features Electronic Fuel Injection and 160 horsepower . . . among the highest in the class. Available interim 1988.

Required option:

- 4-speed automatic overdrive transmission (MXO)

SPORT SUSPENSION (ZQ8)

Available for 2-wheel drive Regular cab S-10 Pickups only, the package includes:

- Heavy-duty front and rear shocks (F51)
- Power steering (N40)
- P215/65 R15 tires (QYH)
- 15x7-inch Rally wheels

Required option:

- 1,625-pound payload (C3C)

OFF-ROAD CHASSIS PACKAGE (Z71)

This package is optional on 4-wheel drive S-10 Pickups and includes:

- Special torsion bars
- Delco/Bilstein high-pressure gas shock absorbers
- Front stabilizer bar
- Jounce bumpers
- Transfer case shield (NY7)
- Fuel tank shield (NY1)
- Trim rings (PO6)
- Tow hooks (V76)

Required options:

- 1,500-pound payload (C3A)
- P235/75R15 off-road tires (QEB)

NEW S-10 OPTIONAL SUNROOF (AD3)

The manually operated tinted glass sun roof is available interim 1988 on all S-10 Pickup models (excluding EL). It offers a choice of five open positions and is non-removable.

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

STANDARD MODEL—FEATURES

The standard models include the following items as standard equipment

Chevrolet model shown (GMC model available)

EXTERIOR

- **Bumper:** Front: painted low-gloss black; incorporating parking lamps
- **Color:** See Interior and Exterior Color Selection Chart
- **Grille:** Molded plastic; painted dark argent; integral Chevrolet emblem/GMC letters at center of grille
- **Glass:** Tinted, all windows (Extended cabs only)
- **Headlamp-Front Side Marker Lamp Bezel:** Molded plastic with chromed finish
- **Horn:** Single, electric, high-note
- **Hub Caps:** Bright metal. Black trim on Chevrolet models
- **Keys:** Two-key system; with separate keys for ignition switch and door locks
- **Lettering, Tailgate:** Black or silver decal on Chevrolet depending on exterior color; red letters on GMC
- **Lights:**
 - Backup lamps: Two rear (integral with taillamps)
 - Combination parking/direction/hazard: Two front
 - Combination tail/stop/direction/hazard: Two rear
- **Headlamps:** Two, rectangular. Halogen (on 1987 GMC Sierra model)
- **License plate lamp:** Single rear
- **Side marker lamps with reflectors:** Two front; two rear (integral with taillamps)
- **Mirrors:** RH and LH fixed arm with adjustable 6½" wide x 4" high aerodynamic heads; low gloss black finish. RH mirror is convex
- **Moldings:** Low-gloss black windshield; bright taillamp trim
- **Nameplates:** Bright "S-10/S-15 Sierra" nameplates on front fenders near doors. Engine designation nameplate under LH headlamp. 4-wheel-drive models have "4x4" nameplates on cab rear corner panels
- **Pickup Box:** Steel floor, welded double wall construction; painted body color
- **Spare Tire Carrier:** Winch-type; mounted under frame at rear
- **Wheels:** Painted argent
- **Windshield Wipers and Washers:** Electric, 2-speed wipers with low-gloss black finish on exposed metal portions; coordinated washer with fluidic oscillator at center of plenum inlet grille

Chevrolet model shown (GMC model available)

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

STANDARD MODEL—FEATURES

The standard models include the following items as standard equipment

INTERIOR

- **Armrests:** RH and LH padded; integral with door trim panels
- **Ashtray:** In middle of instrument panel
- **Coat Hook:** RH side
- **Colors:**
Painted areas: Same as exterior primary color choice
Interior trim: Coordinated with seat trim color choice
- **Door Sill Plates:** Door-opening protection and floor mat retention; full-length; black plastic
- **Door Trim Panels:** Color-keyed, embossed molded plastic with integral armrests, map pockets and gray housing in door latch release handle area
- **Floor Covering:** Embossed black rubber mat (partial only on conventional cab)
- **Grab Handle:** Over RH door (4x4 models only)
- **Headliner:** Color-keyed; partial roof coverage; styrene laminate with thin foam and cloth cover (full foam and full coverage on extended cab)
- **Heater and Defogger:** Conventional outside air type
- **Hood Lock Release:** Handle located under LH side of instrument panel
- **Instrument Panel Trim:** Smooth low-gloss black finish for instrument cluster bezel, and textured charcoal finished central area. Low-gloss black light switch panel, knobs and heater/air conditioner control knobs. Gray accent RH/LH air conditioning outlet cover plates, heater control bezel and light switch bezel
- **Instruments:**
Gages: Speedometer, odometer and fuel
Switches: Main, for control of exterior lights, instrument cluster lights, and cab interior lights; combination steering column switch for direction signals by moving lever up and down, headlamp beams by moving lever fore and aft, and windshield wiper and washer by turning lever to wipe and pressing lever in to wash; hazard warning; heater fan; ignition with key-in warning buzzer
Warning lights: Generator, oil pressure, engine temperature, seat belt, service-parking brake, direction/hazard signal, and high beam
- **Instrument Panel Control Knobs:** Soft black plastic (except heater and wiper-washer controls) with white graphic identification
- **Instrument Panel Pad:** Color-keyed, energy-absorbing foam type with injection molded plastic substrate
- **Insulation and Sound Deadening Material:** On dash (fire-wall), under floor mat, spray deadener inside of doors, plugs on windshield pillars, on roof underside, and on headliner
- **Lights:** Instrument cluster and cab interior lights. Dome light (except EL/Special model) (includes door-operated switches for dome and cab interior lights)
- **Mirror, Rearview:** 10" prismatic with soft vinyl rim
- **Radio:** AM (except EL/Special model)
- **Seats:** Full-width, full depth foam bench-type with folding backrest. All-vinyl embossed grained seat trim is standard. Also available at extra cost: 1) Textured velour custom cloth bench seat; 2) Leather grained custom vinyl bench seat; 3) Leather grained custom vinyl high back bucket seats; or 4) (for extended cabs only) Leather grained custom vinyl trimmed rear jump seats. See Interior and Exterior Color Selection Chart for color and trim availability
- **Seat Belts:** Non-detachable combination lap and shoulder belts for outboard positions with emergency-locking retractors; lap belt with manual adjustment for center position. All seat belts are color-keyed with pushbutton type buckles
- **Steering Wheel and Column:** 15¼" black, soft plastic wheel with 2 spokes; black energy-absorbing steering column with anti-theft locking feature
- **Stowage Box:** In RH side of instrument panel; with bright key-operated lock and "S-10/S-15 Sierra" nameplate; lock operated by door key
- **Sunshades:** RH and LH padded; color-keyed
- **Tools:** Mechanical jack and wheel wrench behind seat on RH side
- **Tray:** Small package tray on lower right half of instrument panel.
- **Trim Panels and Moldings:** Color-keyed moldings on windshield pillars, upper rear quarter trim panels on extended cab, and jack cover on extended cab (charcoal)

S-10/15 PICKUP 2- & 4-WHEEL DRIVE DURANGO/HIGH SIERRA MODEL OPTION—RPO YC1

This option includes all standard model items plus the additions or substitutions listed below

EXTERIOR

- **Bright Appearance Items:**
 - "Durango/High Sierra" nameplates with series designation on front fenders
 - Front bumper (Includes black rub strip)
 - Trim on bumper rub strips
- **Lettering, Tailgate:** Same as for standard model except reflectorized (reflects at night)

Trim on black grille
Taillamp trim
Wheel trim rings

INTERIOR

- **Bright Appearance Items:**
 - "Durango/High Sierra" nameplate on stowage box door
 - Dome lamp trim
- **Cigar Lighter:** With ashtray light
- **Floor Covering:** Color-keyed rubber mat for entire floor area
- **Headlamp Warning Buzzer**
- **Heater and Defogger:** Deluxe outside air type with power center and outboard instrument panel vents and side window defoggers
- **Insulation and Sound Deadening Material:** Under floor mat
- **Jack Cover:** Color-keyed (extended cab only)
- **Seats:** Choice of: 1) textured velour custom cloth bench seat; or 2) leather grained custom vinyl bench seat. Also available at extra cost: 1) leather grained custom vinyl high back bucket seats; 2) (for extended cabs only) dual-tone woven special custom cloth high back bucket seats; or 3) (for extended cabs only) leather grained custom vinyl trimmed rear jump seats mounted to the rear compartment side walls. See Interior and Exterior Color Selection Chart for color and trim availability
- **Steering Wheel and Column:** Deluxe; color-keyed
- **Stowage Box Light**

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

TAHOE/SIERRA CLASSIC MODEL OPTION—RPO YC2

This option includes all of the Durango/High Sierra model option items plus the additions or substitutions listed below

EXTERIOR

- **Bright Appearance Items:**

- "Tahoe/Sierra Classic" nameplates with series designation on front fenders
- Body side molding trim
- Bright wheel opening lip moldings
- Wheel covers (2-wheel drive models); Hub covers and trim rings (4-wheel drive models)
- Delete wheel trim rings (2-wheel drive models only)

- **Cab-to-Fender Insulators**

- **Door Handle Inserts:** Body color
- **Hood Insulator**
- **Moldings:** Black plastic body side moldings with bright insert
- **Tailgate Trim:** Black applique with bright "Chevrolet" and red "GMC" lettering and trim
- **Wheels:** Painted black (2-wheel drive models); Painted argent (4-wheel drive models)

INTERIOR

- **Bright Appearance Items:**

- "Tahoe/Sierra Classic" nameplate on stowage box door
- **Door Trim Panels:** Special custom cloth upper insert; carpeted lower insert with pocket, plus coin holder in LH door
- **Floor Covering:** Color-keyed carpeting for entire floor area and on cab back panel (Color-keyed rubber mats are available, if desired)
- **Headliner:** Full coverage molded styrene; full foam with color-keyed cloth cover (conventional cab)
- **Instrument Cluster:** Voltmeter, oil pressure gage and engine temperature gage replace warning lamps; also includes trip odometer
- **Insulation and Sound Deadening Material:** On plenum panels (part of specific dash mat), under floor and cab back panel carpeting, on floor and cab back panel carpeting, extra-

thick on headliner, on door trim panels, and on lower portion of instrument panel

- **Seats:** Choice of: 1) leather grained custom vinyl bench seat; or 2) textured velour custom cloth bench seat. Also available at extra cost: 1) leather grained custom vinyl high back bucket seats; 2) dual-tone woven special custom cloth high back bucket seats; 3) (for extended cabs only) genuine leather high back bucket seats; or 4) (for extended cabs only) two leather grained custom vinyl trimmed rear jump seats mounted to the rear compartment side walls
- **Trim Panels and Moldings:** Color-keyed cowl kick panels; upper (conventional cab) and lower rear quarter panels; lower backlight molding, and jack cover (conventional cab)
- **Visor Mirror:** On RH sun visor

S-10/15 PICKUP 2- & 4-WHEEL DRIVE SPORT/GYPSY MODEL OPTION — RPO YC3

This option includes all items in the Tahoe/Sierra Classic model option plus the additions or substitutions listed below

EXTERIOR

- **Bright Appearance Items:**
"Sport/Gypsy" nameplates with series designation on front fenders
Wheel trim rings (2-wheel drive models only)
Delete bright wheel opening lip moldings
- **Bumper:** Color-keyed to lower accent color, with black rub strips
- **Door Handles:** Black chrome; also includes black chrome key cylinder covers
- **Grille:** Black chrome grille and headlamp bezels
- **Taillamp Trim:** Black chrome
- **Two-Tone Paint:** ZY7 lower-accent paint
- **Wheels:** 2-wheel drive — Rally wheels painted argent and black, with black ornamental hubs and bright trim rings.
4-wheel drive — base argent wheels with black ornamental hubs and bright trim rings.
- **Wheel Opening Lip Moldings:** Black plastic

INTERIOR

- **Bright Appearance Items:**
"Sport/Gypsy" nameplate on stowage box door
- **Console:** Color-keyed molded plastic with lockable stowage compartment; lock operated by door key
- **Door Trim Panels:** Sport cloth insert to match seat trim
- **Seats:** Sport cloth high back bucket seats. Also available at extra cost (for extended cabs only): Genuine leather high back bucket seats. See Interior and Exterior Color Selection Chart for color and trim availability
- **Steering Wheel:** Sport wheel with simulated leather look

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

PICKUP SEATS

STANDARD FULL-DEPTH FOAM SEAT

Molded polyurethane foam pads over a steel cushion spring and frame assembly and a backrest frame assembly provide resilient support for driver and passengers, with an extra-thick pad employed for the cushion. A folding type backrest with inertia latch is used, providing convenient access to the stowage area behind the seat. Seats are adjustable fore and aft. Trim is durable, easy-to-clean vinyl.

FRONT BUCKET SEATS (Custom Vinyl Seat Trim Shown)

This option consists of two high back bucket-type seats with foam padding and folding backrests with inertia latches. They are standard on Sport/Gypsy models and are available for all other models. A lockable color-keyed plastic center console with spacious stowage compartment is available when bucket seats are ordered on base, Durango/High Sierra, or Tahoe/Sierra Classic models. This console is included with the Sport/Gypsy Model Option. Reclining seat backs available on extended cab models and are included with Sport/Gypsy Model Option.

FOLDING JUMP SEATS

This option consists of two folding jump seats mounted on Extended Cab rear side-walls. They may be left folded for cargo carrying or unfolded to carry two additional passengers. Bucket seats are required when this option is ordered. Trim on these seats is always Custom Vinyl.

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

Cab Construction

Two cab configurations are used; the regular cab and the extended cab. Both are 2-door cabs, but the extended cab has approximately 14.6" of added space behind the 3 passenger seat. Provisions are made to enable the addition of 2 optional jump seats if desired. Both utilize all-steel, welded construction. A plenum chamber with high level, screened

air intake is incorporated in the front end structure for interior ventilation. Single-wall construction is utilized throughout the remainder of the cab except in the upper back panel area. A cathodic ELPO primer is used throughout and coated steel is used in most areas to reduce sheet metal corrosion. Body joints are filled with pumpable sealer. A 4-point mounting system is utilized for the cab.

Cab Mountings

All mounts are the double rubber biscuit type.

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

STANDARD CAB FEATURES

Curved Windshield—The large, one-piece windshield of laminated safety glass is urethane bonded into the windshield frame and has an area of approximately 1138.5 square inches for excellent visibility.

Curved Rear Window—The rear window is of solid tempered safety glass and is curved to prevent road reflections on the inside rear view mirror. It has a 617.5 square inch area.

Electric Windshield Wipers—High-capacity, 2-speed motor provides constant wiping action regardless of engine load or accelerator

position. Wipers have 16-inch blades. Wiper arms and the metal portions of the blades have a low gloss black finish. Electric washers with a 5.7-pint capacity reservoir are also standard. A "Fluidics" washer nozzle assures efficient washing action.

Curved Side Glass—Curved door windows are of solid tempered safety glass with an area of 409.5 square inches for each side.

Rearview Mirrors—Standard chrome exterior mirrors are of the fixed arm type with 6½" wide x 4" high adjustable aerodynamic

heads and a low gloss black finish. Both right-hand and left-hand units are provided, with convex glass used for the RH mirror.

Optional mirror combinations are also available. See the Optional Equipment listing.

Door Locks—All cab models include left & right hand key-operated (front) door locks as standard equipment. Actuation of inside lock levers prevents accidental door opening and provides keyless door locking when leaving the vehicle. Door lock key is separate from the ignition key for theft protection.

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

CAB DIMENSIONS*

Glass Area (sq in)

Windshield.....	1138.5	Rear side windows (each side).....	150.0
Front side door window (each side).....	409.5	Rear window.....	617.5

*All interior dimensions measured with front seat in rearmost position. Seat travel is 5"

INSTRUMENT CLUSTER

Standard Cluster with warning lights for engine temperature, generator, and oil pressure.

Optional Cluster (RPO Z53) with voltmeter, engine temperature gage, oil pressure gage and trip odometer. Included with Tachometer (RPO U16) and in Tahoe/Sierra Classic options (RPO YC2) and Sport/Gypsy options (RPO YC3) as illustrated (optional tachometer also shown in illustration.) Cluster faceplate for all models has textured, charcoal colored finish. When the optional tachometer is ordered it replaces the regular fuel gage, and another fuel gage is added.

S-10/15 PICKUP 2- & 4-WHEEL DRIVE PICKUP BOX

Body Ordering Code E63
DIMENSIONS

The all steel, welded pickup box is built in both 6- and 7.5-foot nominal lengths with approximate 35 and 43 cubic ft. capacities respectively. Integral skid strips are incorporated into the load floor. Vertical rear lamps with bright bezels are incorporated into the corner posts. Double-walled construction is used in the side panels and tailgate to prevent load dents from marring the appearance of the outer panels.

The ELPO electro-coating process is used to prime the completely assembled cargo box to assure that all surfaces of all components—even surfaces not visible—receive a coat of prime paint. Side outer panels and tailgate are fabricated of zinc coated steel and galvanized steel is used for platform panels and rear wheel housings to provide additional corrosion protection.

A tight-fitting full-width tailgate holds such loads as grain and sand with minimal loss. It is operated by a mechanically actuated latch and retained in the horizontal position by hinged steel support straps. The tailgate latch features one-hand operation for easy opening and closing.

The vertical structural support welded into each corner of the pickup box has a round metal loop at the upper end to serve as a cargo tie-down.

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

INTERIOR AND EXTERIOR COLOR AVAILABILITY CHART

WITH ZY1 PAINT—WITHOUT STRIPING

Please Note: Below are the interior trim color and exterior paint combinations recommended by Chevrolet/GMC. The only available color code 1/color code 2 exterior color combinations are those shown in the chart below; however, any available interior trim color may be ordered with one of these exterior color combinations if that particular combination is desired by the customer.

S-10/15 PICKUP 2- & 4-WHEEL DRIVE SOLID AND TWO-TONE* EXTERIOR COLOR COMBINATIONS

The application of paint for solid and two-tone exterior color combinations is shown below.

SOLID COLOR

Solid paint (ZY1) is standard on all models (except Sport/Gypsy). All painted areas of the cab, front end sheet metal, and box are the same color. Tailgate lettering for base and Durango/High Sierra models is silver when Galaxy Blue, Indian Bronze, Midnight Black, or Apple Red exterior colors are specified and black for all other exterior colors.

SPORT TWO-TONE

Sport two-tone paint (ZY7), which provides a lower accent two-tone scheme, is available on base, Durango/High Sierra and Tahoe/Sierra Classic models, and is included when the Sport/Gypsy Model Option (YC3) is ordered (unless ZY6 Custom two-tone is ordered). When ordered on base models, Painted Front Bumper (VT3) or Chromed Front Bumper (VG3) must be ordered. A wide, four stripe decal is included on base and Durango/High Sierra models, and is applied below the lower styling crease lines. The decal color matches the color code 2 paint choice, and is applied over the paint break line in such a way that the color code 1 color paint shows through the clear areas to contrast with the decal colors. The color code 1 color choice is applied to the areas above the bottom stripe of the decal, and the color code 2 color is applied to the areas below the decal. RPO B84 Body Side Moldings may be ordered with ZY7 on base and Durango/High Sierra models, if desired (at extra cost), and will replace the striping decal. Tailgate lettering for base and Durango/High Sierra models is silver when Galaxy Blue, Indian Bronze, Midnight Black, or Apple Red exterior colors are specified and black for all other exterior colors.

*Optional at extra cost

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

SOLID AND TWO-TONE* EXTERIOR COLOR COMBINATIONS

The application of paint for solid and two-tone exterior color combinations is shown below.

CUSTOM TWO-TONE

Custom two-tone paint (ZY6) is available on all models. When ordered on base models, Painted Front Bumper (VT3) or Chromed Front Bumper (VG3) must be ordered. The areas above the belt styling crease line are painted the color code 1 paint color. The areas below that line are painted the color code 2 color. A color-keyed decal stripe is applied at the belt styling crease line just below the paint break (See color stripe chart on page O). Tailgate lettering for base and Durango/High Sierra models is silver when Galaxy Blue, Indian Bronze, Midnight Black, or Apple Red color code 2 exterior colors are specified and black for all other colors.

SPECIAL TWO-TONE

Special two-tone paint (ZY8), which provides a mid-accent two-tone scheme, is available on base, Durango/High Sierra and Tahoe/Sierra Classic models. When ordered on base models, Painted Front Bumper (VT3) or Chromed Front Bumper (VG3) must be ordered. B84 body side and wheel opening moldings are included (except on Tahoe/Sierra Classic models where already included) which are applied below the lower styling crease lines. The areas below the molding and above the belt styling crease line are painted the color code 1 paint color. The areas between the molding and the belt styling crease line are painted the color code 2 color. Tailgate lettering for base and Durango/High Sierra models is silver when Galaxy Blue, Indian Bronze, Midnight Black, or Apple Red color code 2 exterior colors are specified and black for all other colors.

*Optional at extra cost

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

EXTERIOR DECOR STRIPING PACKAGES

4x4 I.D. EXTERIOR DECOR

RPO YJ3 4x4 I.D. Exterior Decor.

This package consists of tri-colored 4x4 decals applied to the upper rear corner of each side of the pickup box. It is available on all 4x4 S-10 pickup models. The standard 4x4 emblem located on the B pillar is deleted. Not available when RPO D90 Sunshine Striping is ordered.

SUNSHINE STRIPING

RPO D90 Sunshine Striping. Sunshine Striping consists of 4 bold stripes along the full length of the vehicle and across the taillgate. The stripes are available on all S-10/15 pickup models in four colors to contrast or complement the exterior paint color choice. See the Interior and Exterior Color Availability Chart headed: With D90 Sunshine Striping for available combinations. The stripes vary in color density; the top stripe is completely opaque and each of the three remaining stripes is less opaque than the one above it, allowing the exterior paint color to show through more and more in each succeeding stripe until the bottom stripe actually has just a hint of color in it, creating a very dramatic effect. Sunshine Striping is available with ZY1 solid paint or with ZY6 Custom Two-Tone paint. When ordered with ZY6, the top stripe color exactly matches the color code 1 color choice. Not available with B84 Body Side Moldings or with YJ3 4x4 I.D. decals.

OPTIONAL STRIPING

Optional Striping is available on S-10/15 pickup models only when ZY1 Solid Paint is ordered. The striping is the same as that included with ZY7 Sport Two-Tone Paint, and consists of 4 decal stripes applied below the lower styling crease lines. The striping is available in 6 colors to contrast or complement the exterior paint color. See the interior and Exterior Color Availability Chart headed: Without D90 Sunshine Striping for available combinations. Not available with B84 Body Side and Wheel Opening Moldings or YC3 Sport/Gypsy Equipment.

S-10/15 PICKUP 2- & 4-WHEEL DRIVE

EXTERIOR DECOR STRIPING PACKAGES

RALLY STRIPING

RPO D98 Rally Striping is available in six colors and is available on S-10/15 pickup models only when ZY1 Solid Paint is ordered. A decal stripe color must be selected from the D98 Rally Striping color selection chart. The 6 stripe decal is applied just above the belt styling crease line on the front fenders, door and pickup box sides. The stripes vary in width from about $\frac{1}{2}$ " at the bottom to $\frac{1}{4}$ " at the top; with an overall width of about 3". Clear areas between the stripes allow the exterior paint color to show through.
